Only asthma inhalers may be kept in the child's cabin. No medication will be administered unless it is received in its original container, with this signed authorization form.

Steps to complete the Medication Authorization Form:

1. Determine if your child will need to bring prescription or non-prescription medicine to Shady Creek.
 - a. Do not send any of the following non-prescription medications because, with your signed permission, they are already available:

Advil (dysmenorrhea)	Ibuprofen (for fever or pain)	Acetaminophen (head/muscle aches)
Benadryl (localized itch/insect bite)		Kaopetate (diarrhea)

We cannot administer any medication (prescription or non-prescription) you send for your child without this signed form.
3. Verify that all medications are properly labeled and authorizations have been given. Verify that:
 - a. All medications are in original containers.
 - b. All medications are properly labeled, (use masking tape if necessary), including:
 - 1) student's name (prescription must be for the student only, no other name will be accepted)
 - 2) medication name
 - 3) precise dosage instructions, quantity and frequency (prescription only)
 - 4) physician's name (if prescription)

 - d. All medications are listed on this signed Medication Authorization Form with proper instructions for administration.
4. Fold this form and place it in a zip-lock baggie with all the medications (both prescription and non-prescription in original containers) and forward the bag to your child's school to transport to Shady Creek.
 - a. Label the baggie with your child's name and school (use masking tape).
 - b. DO NOT send any medication to the site in your child's suitcase.
